

Xtreme Profit Program

Why The Xtreme Profit Program?

Make no mistake about it – manufacturers and insurance companies make lots of money from products like extended service contracts. Now, YOU can share in those profits through the *Xtreme Profit Program* provided by RpmOne.

The RpmOne *Xtreme Profit Program* allows dealers to earn underwriting and investment profits on the sale of service contracts and prepaid maintenance. Join some of the most successful dealers in the industry who have taken advantage of this program. You will only wish you had started sooner! *RpmOne will provide you with a custom projection of the income opportunity upon request.*

RpmOne Value

- **Provides underwriting and investment profits** to the dealership
- **Offers unique tax benefits**
- **Allows dealer to select program preferences**
- **Involves little to no cost** with high rewards
- **Gives additional control** without additional risk
- **Requires no operational changes** at the dealership with our Turnkey Program

Advantages There are two options within the *Xtreme Profit Program* for dealers based on your preferences and sales level. Please see the table below for the features of each program.
